

Jalowiec Update

Thank YOU So Much...

...for your faithfulness in prayers and support. We are humbled and blessed by the sacrifice of so many to help us reach our goal of Zambia, Africa. Some Cultivate, Some Water, and Some Sow... but GOD gives the increase!

It is always so exciting to see a soul come to the Lord! A woman in NYC professed Jesus Christ as Savior, and many others made decisions to draw closer to him. There has been a divinely appointed theme where ever we've gone of stepping out on faith and obedience to what Christ has asked each of us to do. If we would live that *Every Day* what an impact our lives would be for the Kingdom!

I was able to participate in a Discipleship Conference in my home church in Rochester, NY. Helping train others to invest in people through the Scriptures for the perfecting and maturing of the saints is so important. Although this seems to be a fundamental principle of Christ's teaching, the truth is that most of the time this is only being done through the preaching in the pulpit. Discipleship is the

responsibility... and *privilege* of every believer!

We were blessed to minister to churches in Central New York and New York City. The Lord continues to give us new friendships that will last into eternity. We are also thankful for one new church and several individuals partnering with us financially. Zambia is getting closer!

We seem to have been in the thick of spiritual battles but have seen victory and growth along the way. Truly ministry is not promised to be easy or painless, but our prayer is Colossians 1:10, "*That ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God; wherewith we are called.*" Amen!

We are pleased to have sold our 15 passenger van to a wonderful church that has been "praying one in"... just like ours! That paved the way for us to get a stronger truck that is better suited for towing. While we have had our share of repairs on this "new to us" vehicle (transmission repair and upgrade, steering and tires, etc.) we are praising the Lord that he has provided our needs once again.

We are praising the Lord also for changing our schedule at the last minute to keep us out of the path of Hurricane Irene! Instead we were able to join an incredible Bible Conference in the Finger Lakes region of New York, and enjoy a week of camping at beautiful Keuka Lake.

We start our next journey of extended traveling this weekend. We begin in Connecticut and New York City. From there down to North Carolina and Florida for some meetings and then back up to Pennsylvania and Ohio. We are so thankful for all of the safety as we travel. We are even more thankful as 2 of our boys have joined the "driving ranks"! While they are not quite ready to haul the camper, they certainly are a help in the day to day travels. We are thankful for our kids! They have exceeded our expectations for this part of our ministry!
