

As we begin a new year we are very grateful for what the Lord has been doing in our lives. We were able to spend several weeks back home for the Holidays visiting with our oldest daughter, family, friends and church family.

Throughout January, I had the opportunity to preach and teach in several different ministries and challenge people from the Word of God. It was a blessing to see many head to the alter and settle decisions for the Lord. It is always a great time of refreshing to be in our home church, and we know the Lord used this time to prepare us for our longest time away from home. We have begun our Winter/Spring 2012 traveling schedule and look forward to many busy months. Our first leg of the journey is in Tennessee with a meeting, and then a couples conference in Pigeon Forge with a church from Alabama. We are so thankful for friends in Knoxville that have graciously agreed to house our four kids while we attend the couples retreat!

We are pleased to announce that our support is currently at 63-65% of our monthly goal. The past few months have been very encouraging as several families and churches have joined us in our goal to reach Zambia with the gospel of Jesus Christ.

I have witnessed God's protection first hand as I was spared serious injury from a skiing accident. After all was said and done I ended up with a bit of whip lash and a sprained neck. Praise the Lord it could have been so much worse, but he has other plans for me. In spite of a visit to the ER, we had a wonderful family retreat! The picture above was taken in Ohiopyle, PA. We were able to seek the Lord's direction and spend precious family time in the Scriptures and in prayer. A special "Thank You" to a dear brother in the Lord who facilitated this opportunity for all of us. We stand in awe of the Lord's continued provision!

We will be traveling many miles in the next few months, and we need the Lord's protection. Thank You for your continued prayers, support and interest in our ministry! We pray God continues to bless you!

So Thankful!

We thoroughly loved our time home! This is the longest time of deputation and we ask for prayer for the kids, as well as Jan and myself for health, stamina and passion as we continue to present the ministry the Lord has called us to. We are enjoying this time of travel, and look forward to when we will move to Zambia, Africa!

Our Senior

They grow up so fast! We are happy to see the Lord our children toward the future He has planned for them. Josiah will graduate from High School this June, and has been researching colleges. He has found what he thinks is the right one, and we are praying for the Lord to open the door if it is His will.
